Class Descriptions | Yoga & Flexibility Studio

Yoga

Yoga @ **DavidBartonGym** will change the way you look, feel and think. Classes focus on breathing in relation to postures that improve flexibility, balance, coordination and strength. So whether you are in Half Moon pose working your hamstrings, pecs, and trapezius or chilling out in Eagle pose which helps joint mobility and sexual energy... there's definitely a ton of benefits awaiting you.

Anusara Yoga: Considered to be a cutting edge style of yoga. Masterfully integrating advanced therapeutic alignment techniques with a celebratory philosophy producing a safe, effective and fun yoga practice. All levels can enjoy this class.

Hot Gravity Surfing: Up the temperature and defy gravity with this fast-paced do-able yoga class. A solid cardio workout taught in a heated room with feel-good yoga positions. This innovative light-hearted class leaves you feeling fit and fabulous.

Liquid Yoga: If you think yoga is too slow or you can't get a "real workout"- think again. Be prepared to work and move with this fast-paced, dynamic vinyasa yoga class designed to make you sweat! It will get your heart rate up and help tone and sculpt your body.

Power Vinyasa Yoga: Be prepared to really sweat... a lot. Designed to build strength, sustain focus and venture into self. Get ready to see your body change. Not for beginners.

Sunset Hatha Yoga: Chill out and experience supreme inner peace through this feel-good class taught as the sun goes down over Manhattan. Classic yoga postures, breathing exercises, relaxation and meditation come together to harmonize you on every level - body, mind and spirit. A dynamic and moving class that is perfect for all levels.

Vinyasa Yoga: Synchronized movement with breath, linking postures together into a dynamic practice. The breath is used as a constant point of reference for returning to and resting in the present moment. Designed to build strength and sustain focus.

Yoga Basics: Keep yoga simple by perfecting the basics. Breathing, relaxing, movement, flow and studying a pose. This class guides everyone on an individualistic level from beginner to advanced.

Yoga For Jocks: This class is for the jock in every guy and girl. It focuses on stretches based on the practice of yoga to enhance performance of specific sports. Strengthens muscles while bringing flexibility to the body and mind.

Strength & Flexibility

As muscles are stretched and contracted at a cellular level; lipids and proteins reorganize optimally allowing for better circulation. All classes use muscular resistance and isolation in order to rock your body toward your goals. All levels welcome.

Mind Over Muscle: This unique yoga based stretch class is designed to balance pumping all that iron on the gym floor with ultimate flexibility. Retain size and strength yet increase your range of motion.

Pilates Core Training: Combines challenging strength and body-sculpt conditioning exercises with pilates-based core work to create lean muscle mass and a more flexible body.

Pilates Mat: A series of exercises performed on a mat to strengthen the core muscles and lengthen tight muscles of the lower body. Benefits include core strength and overall flexibility.

Stretch & Abs: Enjoy a mix of yoga and fitness stretching with abdominal work. Slow down and enjoy this full body stretch class.

Yoga Core Training: Combines challenging strength and body-sculpt conditioning exercises with yoga-based core work.

Class Descriptions | Body Altering Group Training

Group Training @ **DavidBartonGym** is unique as our trainers teach the classes focusing on safe, efficient body altering exercises designed to change not only the way you think and train but the way you look. Benefits include cardiovascular endurance, muscular strength, tone and flexibility. Show up and be prepared to be worked out.

Abs: 15 minute abdominal workout resulting in that cut up core.

Ass, Arms & Abs: Need we say more?..targeted strength work designed to blast the “featured” areas that we want looking their best!

Barton Biking: Combine intense upper body strength work with cardiovascular intervals done on studio cycles and you get an incredible conditioning workout to compliment your overall fitness program. DBGym trainers will emphasize building overall muscular endurance.

Blood, Sweat’n Tears: Train like a fighter...or at least look like one. High repetition/explosive exercises and intense cardio movements will be integrated with boxing drills. This class will challenge your body and push you to your limits...or tears!

Core Cut: The exercises and movements in this class are designed to build core strength and increase range of motion and flexibility. Slow, controlled and purposeful movements requiring focus, balance and excellent posture will be used to create an exercise experience that will re-shape and strengthen you from the inside out.

Cycle’n Abs: A 45 minute ride with 15 minutes of abs.

Fortitude: Power of mind meets muscular strength and cardiovascular endurance. Circuit training to target more than your body, designed to evoke courage and dignity. This workout will train you to handle adversity while getting you the body of a warrior.

Guns: Biceps and triceps, that’s it! Get the arms you want in 30 minutes.

Junk: The only class you need to get your ASSets in order. You’ll be challenged with innovative, targeted lower body exercises designed to increase muscle definition and strength. Your ass and legs will be in perfect shape to wow the crowd as you stroll the beach.

Melt: Burn baby, burn! Get in here, get moving and don’t stop...until we tell you to! This workout is designed to help you burn away the fat by keeping your muscles working non-stop. Our trainers will integrate high intensity cardio intervals with moderate intensity active recovery intervals to maximize caloric expenditure, boost metabolism and burn fat.

Pain & Pleasure: No pain, no gain, that’s the buzz about this weight training class designed to add lean muscle mass to your body. Trainers will lead you through a workout targeting 3 muscle groups. Medium to heavy weights, multiple sets and active recovery segments will challenge you during the hour. Results are guaranteed!

Power Training: Plyometrics (a big word to get you big results) will be used to increase the POWER of your workouts! This workout primarily targets the lower body but also incorporates abdominal strengthening. Simply said, our trainers will condition you to take your training program to the next level during this workout. Caroline and Louis switch off teaching weekly.

Six-Pack Attack! Calisthenics, core training and traditional abdominal exercises combined in a 45-minute format designed to strengthen the entire core with a focus on the abdominal and lower back muscles.

Steam: Hot, hot, hot is how you’ll feel and look after this EXTREME training challenge. High repetition, burn producing strength training exercises will be integrated with cardio drills and core strengthening movements. You will be asked to train at approx. 75% of your maximal target heart rate to increase caloric expenditure and training intensity. Use of a heart rate monitor is encouraged and all participants should complete a minimum of 20 minutes of cardio prior to the start of the class. Determination and commitment are required and results are guaranteed.

Upper Cuts: Targets the whole upper body to get you the cuts of a Greek God.

Xpress Cycle: An intense 45 minute cardiovascular workout on a stationary bike, based on cycling principles. Classes are technique based with a focus on cadence, heart-rate zones, climbs & sprints that are fun and challenging and designed to leave you drenched with sweat.
